Re: Wohl v. Nestle Waters N. America, Inc.  
Civil Action No. 07 cv. 6049  
Our File No.: 14759

Dear Judge Robinson:

We represent plaintiff Steven Wohl in this action. As per my conversation this morning with one of Your Honor's clerks, there are on-going settlement discussions between counsel for plaintiff and defendant that may result in an early disposition of the case. Accordingly, we write to request a two-week extension of time to submit the Joint Scheduling Order, from August 17, 2007 to August 31, 2007.

We have informed defendant's counsel that we would be requesting such an extension of time, and they have indicated that they do not have any objection to such a request.

We thank the Court for its attention to this matter, which is appreciated.
